

BRETTONOBLE HOSPITALITY INSURANCE SPECIALISTS 'PROVIDING SAFETY IN NUMBERS'

BrettNoble, a new Friend of CODE, offers straight-forward insurance and advice across all hospitality sectors

Founded by restaurateur Will Guess, the company benefits from the unique combination of Will's industry knowledge along with his insurance expertise.

BrettNoble have partnerships in place with numerous established and experienced insurers with products that offer some of the widest covers available in the market.

Will is putting particular focus on the hospitality businesses, where he knows he can offer advice and on-going support that will make a difference to owners and operators.

BrettNoble and CODE's partnership means that we can offer some of the following incentives to CODE members:

- Low Claims rebate meaning that a portion of your premium is returned at renewal dependant on your claims experience
- Loss of Key Personnel Extension
- Free Silent reviews providing a discreet, no obligation assessment of your current insurances conducted in the strictest confidence
- A range of online risk management services and learning solutions available at zero cost to CODE members
- Proactive and responsive claims service

Details of the above incentives and full policy wording is available upon request.

BrettNoble can also provide access to additional covers such as Buildings Insurance, Management Liability and Cyber Insurance if required.
